FROM THE PRESIDENT'S DESK

2002 promises to be an exciting year for the club. We have 8 senior teams entered in the summer league and record numbers of both junior members and junior teams playing. Of course, having teams competing in the league competitions is only one part of club activities but it is a good indicator of the health of the club.

None of this would be possible without the exceptional support we receive from an army of volunteers. Teams require a lot of support ranging from selecting team members, getting teams to the right place at the right time and ensuring the results are collated and reported properly. All members that participate in team activities should give a moment's thought to the administration support that makes it all possible. I would like to convey my personal thanks to all concerned.

of the Club and the projects we have in mind for the club's facilities. Although we increased Club fees to accumulate funds for these projects our financial situation for 2001-2002 remains unclear. Our membership numbers appear to have reduced slightly and some members are very tardy in paying their membership fees. This latter aspect is disappointing as it makes the job of the committee (another volunteer group) unnecessarily more difficult. If you are one of those that has not paid your fees please do so as a matter of priority.

We continue to look at ways of improving the club facilities but we must tailor our spending to match our resources. Our priority is to maintain the playing surfaces of the club in top order, hence the refurbishment of courts 11 and 12 will have first call on any excess funds we may have. We are also planning to provide further shade structures around the club (between courts 2 and 3) as part of our funding obligations from Sunsmart. We hope to add further shade structures in other areas as our finances permit.

Our Social subcommittee has two important fund raising social events planned over the next 4 months (Dinner Dance, and Quiz Night). These are important events not just for raising funds but also provide a good opportunity for members to meet

and mix in an environment away from the sweat and liniment. You are encouraged to make up a table and bring some friends to what promises to be very good night.

The advent of the new club BBQ's also provide an excellent opportunity for members to enjoy the club facilities. During the warm weather we plan to hold a BBQ after Saturday social tennis every first Saturday of the month. Stay a while, enjoy the food, wine and excellent views on the balmy evenings.

Club security remains a worry. Over the last few months we have experienced a raft of thefts culminating in two breakins. This is a worrying trend. One solution would be to keep our facilities under lock and key all the time but this would rob members of the access to the facilities they currently enjoy. Although this may become

Total Recruitment

necessary we hope that we can solve the problem by being more vigilant by all members taking part in a Club Watch initiative. This is a simple process and only requires each member to be more watchful and take a moment to ensure that no-one unknown or suspicious is left unchallenged about the grounds. Another simple step is to appoint someone in any playing group as responsible for ensuring any moveable items (such as chairs) are put away and if no-one is using the Clubhouse it is closed up. Libby will discuss these measures with the regular club users in the weeks to come.

The Dalkeith Bridge Club continues to seek an area on the David Cruickshank reserve to build its new facilities. Unfortunately they have chosen a site near courts 26-28 that

threatens to divide our facilities and prevent any future expansion of our playing areas into the vacant land towards the clubhouse. The committee will be strenuously resisting the Bridge Club proposal. As the Council will be seeking community opinion on the Bridge Club proposal all members of the Tennis Club are encouraged to lodge their displeasure with the Council.

The committee is evaluating the feasibility of providing a different playing surface at the club. This is a long term plan aimed at the vacant area between the clubhouse and the bowling club courts. Recently some members have tried a new, very low maintenance, artificial clay surface. This surface does not require watering, needs minimal sweeping and offers a very reliable, medium height bounce. Importantly the surface is not 'hard' and is more akin to playing on grass for those of us (myself included) that prefer something that is not too harsh on aging joints. As these courts will be quite expensive we will need to employ innovative ways of fund raising if we are to proceed. Clearly such an investment will need wide consultation with the membership.

Finally I would like to recognise the excellent performance of Casey Dellacqua who plays No. 1 for DTC's Ladies State League.

Further details are included in Libby's State League article on page 7. Casey is a wonderful ambassador for the club, something that anyone who has had the pleasure of meeting her would attest to.

I wish all members a successful 2002.

Stephen Keenihan
PRESIDENT.

CAPTAIN'S CORNER

A happy New Year to all, and may all your tennis wishes come true, like the ability to pull off the spectacular running cross court forehand top spin passing shot. (I wish!!!)

By the time you read this, the first Grand Slam of the year will be over, but more importantly, the club will be progressing into the latter rounds of the pennant competition!! The pennant teams' performances to date are noted elsewhere in *The Whisper*, but suffice to say our teams are looking good, so let's keep cool heads and see how many teams can make the finals.

Christmas passed with the usual visit from the "Big Red Man", alias Santa. I'm sure I recognised him from somewhere! Social weekend tennis continued over the holiday period and we continued to attract the usual cohort of Saturday players. We also had Interclub matches during December and January, against Claremont & Nedlands, where Dalkeith finished 2nd (of 3) and we wrestled the "Silver Server" trophy from Peppermint Grove. Twilight tennis on alternate Friday evenings continues throughout January

and February and into March, so if you haven't tried it yet, come on down and enjoy not just the tennis, but the social BYO BBQ and drinks from the bar.

Just to refresh your memories, don't forget to check the Calendar for up and coming events and don't forget the Club Championships in March.

A quick comment on the "old chestnut" ratings. We do endeavour to establish players ratings with some basis of logic. The information available to work with is limited, with results from the club championships and pennant competitions being the major contributor to determining a player's capabilities. Unlike golf clubs, we don't have the benefit of a standard course on which to test our abilities. In addition, not everybody plays pennants or enters the tournament, so it does

ELLE

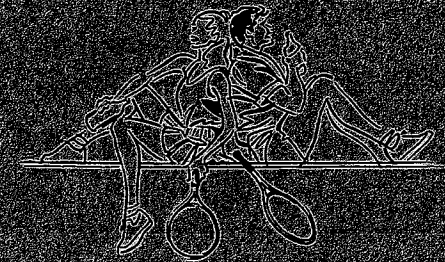

56 Weld Street Nedlands

Proud sponsors of the D.T.C. Ladies
State Grade Pennant Team.

leave the establishing of some ratings somewhat difficult and subjective. We are actively looking at a more rigorous and structured approach on which to base the ratings, so bear with us and we will keep you posted on our proposals. In the meantime, enter the club champs coming up so we can improve our database!!!!

I look forward to seeing you all around the club and please drop me a note if you have any concerns.

Martin Briggs

ON THE SOCIAL SCENE

The club's Opening Day held on October 20th last year was a great success. The Clubhouse was filled to the brim with Club members eating and drinking, and enjoying themselves. Some of the stayers lasted until the early hours of the morning. The feedback has been that the evening was enjoyed by everyone.

During the afternoon we acknowledged people who have been members of the Club for 40 years or more. They are now members of the LOBB (Looking Older But Beautiful) Squad. We were delighted that many came along and joined us for the evening.

After a couple of postponements the Junior Open Day was finally held on Friday 2 November. Both pennant players and social junior members enjoyed themselves immensely. The Junior Winter Pennants windup, held a few weeks earlier, was also a great success.

Christmas time heralded the return of Father Christmas to the Club, riding a bright yellow motorbike. The children were delighted that he came on time, and was bearing small gifts.

For the senior club members, our first social event for January was to celebrate Australia Day on the 28th of January, with tennis in the morning and a BBQ lunch. The Quiz Night that was scheduled for 15th February has been moved to Friday 10th May 2002 to allow for the Leeuwin concert. Given the time until the Quiz night, we have lots of time to come up with a great list of prizes.... This is the royal "we" and means you - so please see me or Louise Denny if you can organise a prize(s) for the

evening.

The Club's annual dinner dance is set for 8 March at the Royal Perth Yacht Club. This should be a lot of fun - so please pencil it in your diaries.

2002 for junior members will be packed with more fun social events throughout the year, so keep you eyes (and ears) peeled for notices around the clubhouse.

The BBQ is now working and available. We have BBQ nights scheduled for the first Saturday each month.

LADIES STATE LEAGUE

The President has already mentioned our Ladies No. 1 State player, Casey Dellacqua in his article. Casey recently won the Thailand Junior Open singles and doubles and the under 16 Australian Masters tournament in Melbourne. Casey also represented WA in the 18/U Wilson Cup team. She now has a world 16/U ranking of 133 in singles and 120 in doubles. Casey was a nominee for the Junior Coca Cola Sports Star of the Year Award for 2001. She was also selected to represent Australia against U.S.A. in the Maureen Connolly Cup, to be held on grass in Melbourne from the 1st to the 3rd of March.

Two other young members of our Ladies State League team, Emma McDougall and Alyce Kelly were chosen to represent WA in

the Reid Cup team for 16/U's in Gosford NSW during the Christmas break. Congratulations girls! Our No. 2, Rachael Newa, was thrown in at the deep end, having not played for 2 years but her form has returned and she is playing fantastic tennis. Long time member Melanie Kay wanted time out this season but despite this has performed exceptionally well in the matches she has played.

QUIZ NIGHT

Change of Date

Due to the Leeuwin Concert (15th Feb 2002) coinciding with the Quiz Night, the Committee have decided to postpone the Quiz Night until Friday 10th May 2002.

DINNER DANCE

To be held at
Royal Perth Yacht Club
8th March 2002 at 7.30pm

Tickets: \$60 per head

Includes dinner and drinks but excludes pre-dinner drinks which can be purchased from bar.

Music by DJ Rev

Dress: Semi Formal

For the first time ever the ladies State League team has finished the first half of the season in the four. We are placed 2nd, trailing only Nedlands. A finals berth at the end of the season would be fantastic!

Our 5 team members are great girls, with an excellent attitude and are all very committed to Dalkeith. Mike Webb-Ware's guidance and enthusiasm is second to none. Also thanks to Gaye Hayes and Loretta Hughes for their keen interest in the girls.

Libby Ferreira
MANAGER.

PENNANT PLAYERS PERFORM

Dalkeith is extremely fortunate to have procured the services of Mark Hlawaty this year. He has proved his position as the best player in WA, by remaining unbeaten by any of the number one players from other club teams. He also won the WA Open this year and his name is engraved in good company on that trophy, ranging from Lleyton Hewitt to John Fitzgerald. Mark is part of John

McNamee's Hopman Cup team and worked intensely with Monica Seles this month. Members may also have seen his colourful personality on Channel 7. The elite juniors in our State also benefit from his and Len Cannell's expertise as they coach the State squads at the Tennis Centre, and have been instrumental in bringing to Dalkeith 3 wonderfully talented girls for our State team. Welcome Mark.

A team that can rely on its number one player has the advantage, but the rest of the team must

also succeed, and Mark is in distinguished company this year. Blake Brinklow has the tough job of tackling the opponents' next best players and has produced extraordinary victories when most needed. Dan Sewell played College tennis in America for 4 years. He was No.1 in the Wichita State team. He graduated in 1999 and went on to play a season in Germany and the Satellites for 1 year. He returned to Perth in 2000 and the team is delighted that he has agreed to play in the third position for Dalkeith. The club's coaches have shown their loyalty and commitment by sustaining wonderful performances each Saturday after a long week on the court. Thank you Dan Sewell, Adam Howard and John Thorpe. Adam is on his best form, achieving victories of which he can be proud, while also finding the time to fill the leadership role

of team captain with constant enthusiasm and dedication. John easily combines "Coach of the Year" qualities with the ability to defeat opponents of merit. Len Cannell has returned after surgery without missing a step. Congratulations on your faultless comeback! The long-serving David Leahy persists as a stalwart member with good wins and a great attitude. Lito Alvarez is an inspiration to us all, as he shows the youngsters how to win with the finesse that can only be gained from the experiences of Davis Cup and Wimbledon. Young Goran Marijan has benefited from his matches in the State team, and his successes will stand him in good stead as he prepares for overseas competition.

Dalkeith are more than 20 points ahead of their nearest rivals, University. We look forward to fantastic finals in March. We are exceptionally lucky to have the opportunity to watch such exciting tennis on Saturday afternoons, and give our younger players the competition they need as they advance.

Members also represent the club in Men's and Women's Divisions one, and Men's Divisions five and twelve on Saturday afternoons and all have a shot at finishing in the final four.

The Women's State team is currently lying second, which should also ensure a great final series for them. Well done girls!

On Sunday afternoons our Ladies do battle in the over 40's division three, and their hard work has resulted in second position. Good luck for the remaining matches, girls.

Also on Sundays, our Men's division two team have won 6 and lost 3 matches giving them a well-deserved first place at the holiday break. Keep up the solid performance, chaps.

Pennant tennis provides a reliable standard of matches every week for its participants, as well as the opportunity to meet members of other clubs in friendly competition. Please contact the co-ordinator if you are interested in finding out more.

Loretta Hughes
PENNANT COORDINATOR.

PROSERVE TENNIS ACADEMY

Junior Tennis League News

All players representing the Dalkeith Tennis Club are to be congratulated on their performances to the half-way point of the season. Many teams are in a position to contest the finals and all players have enjoyed the opportunity to develop their game. Training will resume on Thursday 31st January and Saturday 2nd February, and will continue for six weeks to the completion of the Finals.

Congratulations to Players of the Month for December - April Goh and Adam Ridgeway - and in January - Elsie Alderton and Michael Bourke.

Keep an eye out for the enrolment forms for Winter Tennis League. They will be available at the Pro-Shop in early March.

MastaStroke™ Tennis System

The MastaStroke™ Tennis System is now fully operational at ProServe Tennis Academy. This hybrid learning system is unique to Dalkeith Tennis Club and involves the combination of task driven learning with traditional teaching models for use by the Coach.

ProServe Tennis Academy is keen to develop the Game-Sense idea in all our players. By this we mean the development of rally-ball skills, control of serve consistency and the implementation of all the skills of the game into a match play environment. We think that this approach offers the best opportunity for permanent skill acquisition for all our players.

John Thorpe, CLUB COACH.

WHAT'S HAPPENING MIDWEEK?

This season we have seven day and two night pennant teams. Most of these teams look like qualifying for the finals which is a great effort by all concerned.

Special mention to Meredith Wilkinson and Paulien de Boer, both of whom had excellent first-half performances.

The new proposal for Midweek Pennant guidelines appears below and is now available at the club house. We invite comments on the guidelines from any pennant player keen to do so in writing to the Club Captain, Martin Briggs, by 12 February 2002.

Our new social delegate to Tennis West is Lyn Micha. Anyone wishing to book social events relating to midweek tennis please contact Lyn on 9313 1847.

Policy & Guidelines for Ladies Midweek Pennant Team Selection.

Club policy is based on Tennis West requirements and principles of treating every player objectively and fairly. Provided guidelines have been followed, the Pennant Team Selection Committee selections will be final, subject to final ratification by Tennis West.

1. Tennis West Requirements

Tennis West requires Clubs to submit with team nominations a current club ranked list of players each season, showing all entrants including reserves in "strict order of playing ability." Tennis West has the power to accept or decline any Team or Member of a Team so submitted, allot the Team or any Member of a Team so submitted, allot the Team or any Member thereof to a higher or lower division and may at its discretion alter the ranking of any Team Member throughout the season.¹

The ranked list is checked by Tennis West against each player's performance percentages in the previous comparable season (i.e. summer entries are compared with the previous summer season's percentages, not with winter season's). Tennis West will challenge the position of any player whose ranked position does not appear to be supported by Tennis West's own statistics. These statistics are provided to the Club, before the start of each season for their use in team selections.

If challenged, the Club must be able to justify a person's ranked position on the basis of information not available to Tennis West such as results in the Club Championships or change of ranking through injury, absence or any other personal reason.

Subject to the above, team selection is the responsibility of the Club Midweek Selection Committee, who will suggest divisions for the teams submitted. Tennis West alone will allocate team divisions.

2. Club Midweek Selection Committee

The selection committee shall comprise:

- o The Vice-Captain (Lady Captain)
- o The Midweek Pennant Team Coordinator
- o Elected Representative from each of the teams entered in the previous season's pennant competition.

The Midweek Pennant Selection Committee will elect a Chairman who will preside over the selection process.

The Club Captain may be requested to adjudicate on contentious issues or conflicts of interest, and ensure that objectivity is maintained.

3. Ranking criteria in order of importance:

- o Club rating
- o Previous comparable season's Tennis West percentages
- o Previous comparable team position, ranking of opposition teams played in that division and numbers of times played.

Immediate past season's percentages taking into account team position, rating of opposition teams played in that division and number of times played.

In the absence of statistics and/or where club ratings are equal, the committee's view on relative abilities, in consultation with coaching staff

4. Team selection criteria in order of importance

- o Position on club ranked list
- o Where possible, teams comprised of 5 full members and 1 reserve
- o No team will have less than 5 full members
- o Full team members have priority over reserves in relation to placement

5. Midweek Pennant Team Coordinator

The Midweek Coordinator will be elected at the A.G.M. by/from midweek pennants players who have played pennants for the Club for the past two pennants seasons. The role of the Coordinator is to carry out the administrative tasks required by Tennis West. The coordinator will act as statistician for the Midweek Selection Committee and forward to it all information provided from Tennis West and the record of information from the two previous seasons provided by Team Captains. The Coordinator will have input into team selection. The Midweek Coordinator will distribute, collect and collate player nominations ready for team selection meetings.

6. Team Captain

The Team Captain is to record weekly

match statistics of each team player which should be forwarded to an Elected Representative at the end of the season.

7. Elected Representative

One team representative will be elected by each team prior to the end of the pennants

season. Team representatives will

- o inform the Midweek Coordinator of their election
- o provide information on player performance not provided by Tennis West such as position played in team, rating of opposition in division and number of times played.
- o have input into team selection.

8. Ratings

Midweek players' Club ratings should be reviewed by the Club Ratings Committee in accordance with the Club Ratings Policy after the end of each pennants season and before the selection of new teams for the forthcoming season.

9. The Club Ratings Committee

The Club Ratings Committee shall comprise:

- o The Club Captain
- o The Vice-Captain
- o The Midweek Pennants Coordinator
- o The Weekend Pennants Coordinator
- o The Club Coach or representative.

REVOLUTION THE NEW S60

NOW AVAILABLE TEST DRIVE TODAY

Introducing the Volvo S60. It has sleek and alluring lines of a coupe, yet it also has the spaciousness and convenience of a sedan. The optional 184kW, turbocharged engine and additional advanced safety and luxurious features make it a true driver's car. But not at the expense of the passenger. It is a car moving in a new direction away from compromise to revolution.
